USFS Basic Skills Event Information

ELIGIBILITY:

The USFS Basic Skills events in this competition are open to all skaters who are current eligible (ER 1.0) members of either the Basic Skills Program and / or are current full members of U.S Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Basic Skills Program / Club or any other Basic Skills Program / Club.

USFS event eligibility will be based on skill level as of October 9th, 2011 (the closing day for entries.) All SNOWPLOW SAM and BASIC SKILLS levels BASIC 1 – BASIC 8 must skate at the highest level passed, and NO official US Figure Skating tests may have been passed including MIF (Moves in the Field) or Individual Dances. Skaters in other USFS events may skate at the highest Free Skate level passed OR one level higher BUT not both levels in the same event during the same competition.

USFS membership and eligibility will be verified. If, for whatever reason, the Competition Organizing Committee discovers that a skater has been placed in an incorrect level, the Chair and Referee will have the option to move the skater into the proper level, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

JUDGING:

The USFS events will be judged according to the rules and regulations set forth in the U.S. Figure Skating Basic Skills Competition Manual.

RULES:

The USFS events in this competition will be conducted in accordance with the 2011-2012 US Figure Skating Basic Skills Competition Manual and the 2011-2012 US Figure Skating Rules and Standards.
